BAKERY DISPLAY SOLUTIONS

Our bakery range offers a versatile selection of high-quality displays designed to elevate the presentation of baked goods in retail environments.

From sleek wall shelving units and low-height gondolas to premium loose roll cabinets and modular display tables, each piece combines functionality with modern design.

Built with durability and visual appeal in mind, the range ensures your baked products are displayed fresh, accessible, and beautifully presented.

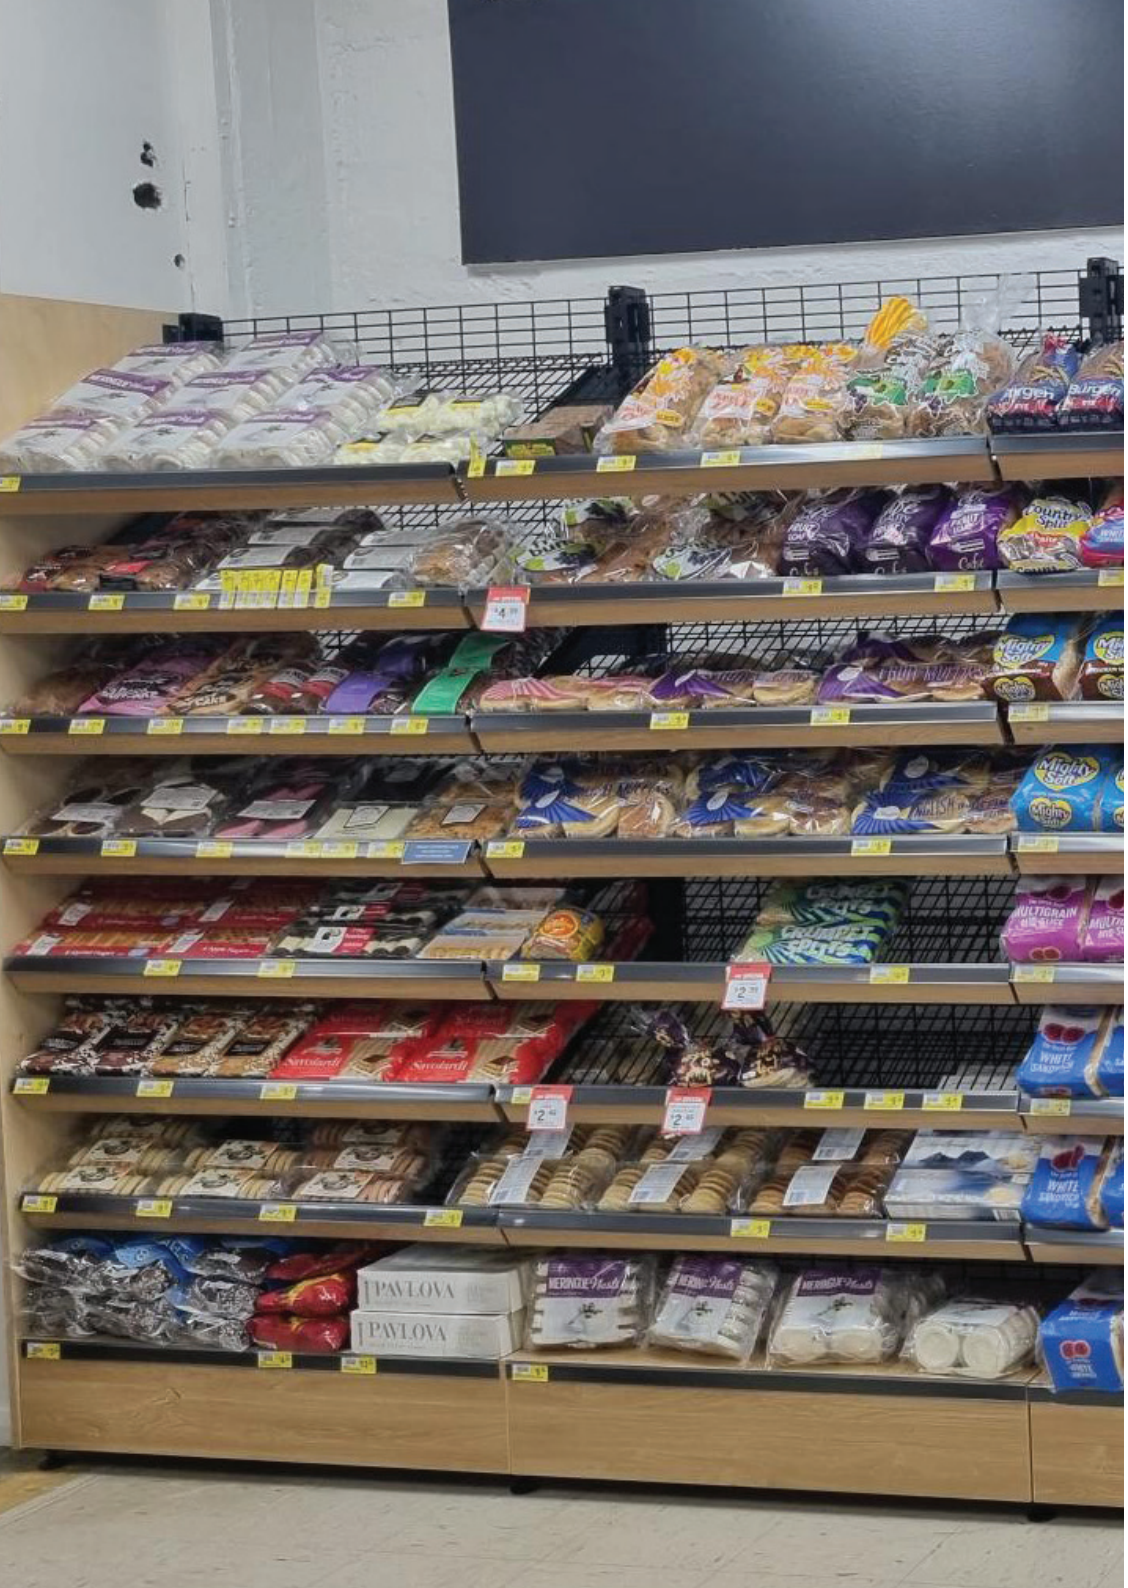
TAILORED TO YOUR VISION

We offer a variety of shelving systems that can be tailored to suit bakery display, from low-profile to full-height, single- or double-sided designs. Our stylish and affordable displays showcase your products while creating attractive presentations. From traditional shelving to premium timber shelving, our range helps you elevate your bakery presentation and enhance the customer experience.



SYS70 - SKIN

Our SYS70 gondolas offers a versatile and functional foundation for bakery displays. Optional timber base and end panels are available to add a premium finish and elevate the overall look, while maintaining flexibility and ease of use.

LOOSE ROLL UNITS

Standard Finishes Options:

Made to Order Finishes Options:

Gibson
RETAIL SOLUTIONS

Loose Roll Unit Low

This unit is ideal for displaying unpackaged bread, baked goods, and pastries, and fits seamlessly against gondola or cantilever shelving in supermarkets or convenience stores. It features sliding acrylic doors, vented angled shelves, a slide-out crumb tray, rear solid sliding doors for easy backfilling, a tong holder with bagging slot, and internal LED lighting.

Size: 915 x 470 x 1415mm (h)
Product Code: 708-292

Loose Roll Unit Tall

This unit is ideal for displaying a larger volume of unpackaged bread, baked goods, and pastries. It features hinged acrylic doors, angled shelves with removable baskets, integrated bag holders, a slot for tongs, and internal LED undershelf lighting—combining generous capacity with clear product visibility.

Size: 915 x 580 x 1920mm (h)
Product Code: 807-198

BAKERY DISPLAY TABLES

We offer a versatile collection of standalone display tables designed to showcase baked goods with style and flexibility.

These tables can be arranged in multiple configurations to create dynamic, eye-catching presentations.

Ideal as a central feature or focal point in your bakery area, they offer both functionality and aesthetic appeal for an enhanced shopping experience.

Gibson
RETAIL SOLUTIONS

Rustic Display Table

This large, eye-catching display table is ideal for showcasing baked goods, liquor, or new product launches. It features a plywood-finish timber table, four mobile shelving units for flexible merchandising, and a signage gantry with S hooks (signage board not included).

This item comes fully assembled.

Size: 2000 x 1000 x 920mm (h)

Product Code: 708-315

Product Code: 708-081

Single Sided Gondola

A compact, low-height display with adjustable shelving and a small footprint. Perfect for standalone use, along walls or deli counters, or as a feature end paired with display tables.
Ideal for showcasing baked goods while maximising visibility and space efficiency.

Convert into Dump Bin Adapt Table A

When the tabletop is removed and slid beneath, the table transforms into a functional dump bin display, offering flexible retail presentation in a single footprint.

GIBSON RETAIL SOLUTIONS

Adapt Table Set

Adaptable to your store layout, used together or separately for flexible displays. Perfect for showcasing artisan bread and cakes, or as dump bins for cross-merchandising.
Set includes three tables and two wire baskets, also available individually for custom configurations.

Convert into Dump Bin Adapt Table B

The same wire basket is also compatible with the smaller Adapt Table B, allowing for versatile use across store formats.

Size: 1235 x 950 x 900mm (h)

Note: Accessories will increase the footprint of the table

Versa Table

A flexible solution to create the perfect display for your store. With mix-and-match shelves and accessories, the Versa Table helps you build an eye-catching bakery destination that can be expanded as required. Ideal for cross-merchandising and driving impulse buys.

Shown with additional Vented Shelves x4, Cross bar x2, Gantry x1 and Tabletop Shelving x2
Wicker Baskets sold seperately

Size: 950 x 653 x 900mm (h)

Note: Accessories will increase the footprint of the table

Versa Table Mini

A smaller version of our Versa Table to suit a compact footprint

Shown with additional Table Extension x2 and Shelf Tray x4

ACCESSORIES

Shelf Tray 915 x 300mm
