DISPLAYS & TABLES

DISPLAY SOLUTIONS

Our impulse displays and retail tables are designed to attract customer attention at the point of purchase and support strong impulse sales.

Constructed to provide a practical and visually balanced solution for a wide range of retail fit-outs. Suitable for displaying promotional items, seasonal products, and new arrivals, these displays work effectively in high-traffic areas such as checkouts, aisles, and store entrances.

Built for everyday commercial use, they are easy to merchandise, help maximise floor space, and enhance product visibility while integrating seamlessly into different store environments.

Adapt Table Set

Adaptable to your store layout, used together or separately for flexible displays. Perfect for showcasing artisan bread and cakes, or as dump bins for cross-merchandising.

Set includes three tables and two wire baskets, also available individually for custom configurations.

Convert into Dump Bin Adapt Table A

When the tabletop is removed and slid beneath, the table transforms into a functional dump bin display, offering flexible retail presentation in a single footprint.

Convert into Dump Bin Adapt Table B

The same wire basket is also compatible with the smaller Adapt Table B, allowing for versatile use across store formats.

Size: 1235 x 950 x 900mm (h)

Note: Accessories will increase the footprint of the table

Versa Table

A flexible solution to create the perfect display for your store. With mix-and-match shelves and accessories, the Versa Table helps you build an eye-catching bakery destination that can be expanded as required. Ideal for cross-merchandising and driving impulse buys.
